About Cactus, Inc.

Cactus designs, manufactures, sells and rents a range of highly engineered wellhead and pressure control equipment. Its products are sold and rented principally for onshore unconventional oil and gas wells and are utilized during the drilling, completion and production phases of its customers’ wells. In addition, it provides field services for all its products and rental items to assist with the installation, maintenance and handling of the wellhead and pressure control equipment. Cactus operates service centers in the United States, which are strategically located in the key oil and gas producing regions, including the Permian, Marcellus, Utica, Haynesville, Eagle Ford, Bakken and SCOOP/STACK, among other areas, and in Eastern Australia. Cactus also conducts rental and service operations in the Kingdom of Saudi Arabia.
